**Children's Services** are aimed at families with younger children and should last around 30 minutes. **Communion Services** are based on Common Worship. **Holy Communion, Matins and Evensong** are taken from The Book of Common Prayer. **Morning Service** is a straightforward service in modern English with hymns, readings, prayer and a sermon.

**SPWS in 100 Lives** is a very informal service where a local person describes how they makes ethical decisions in daily life.
